I AM Naturally Horny!

In college, I got all As. But my best assets are my three Bs. That's my boobs, my butt and my brains. By boobs are all natural, and I give up the booty on occasion... But my booty takes second place to no one's... And my brains, well Stephen Hawking calls me for advice.

Ashlyn Rae is a woman with long, dark hair, smiling and looking over her shoulder. She is wearing a black, strapless, off-the-shoulder dress with a large floral pattern in shades of pink and red. She is also wearing white lace underwear. She is posing in an office setting, with a dark leather tufted chair and a desk with a computer monitor visible in the background. The text 'ASHLYN RAE' is overlaid on the left side of the image in a stylized, bold, black font with a white outline.

Time to GET ON With IT!

All women have sexual fantasies and they are often about anonymous men they don't know. Like the one I'm having of my boss right now. Even though we haven't fucked him yet, I'm feeling you looking at me and that's making me even hotter and my pussy's getting moist. I'm imagining sucking your hard cock, then guiding it into my waiting pussy. I hope you don't mind if I fuck him first? Can you feel me?

DID YOU KNOW PORN STARS HAVE FANTASIES LIKE YOU AND ME.

KELLY KLINE

We all fantasize about sex, like getting it on with strangers, with the boss, with the person next door, with the college professor or even at 35,000 feet. It's hard to believe that porn stars do, too.

It was warm in the empty laundry room of my apartment building and the hum of the few washers and dryers lulled and comforted me after a long day at work. To pass the time, I put on my headphones and settled into the sounds on my music player. I closed my eyes and relaxed against the washer, lost instantly to music, and the vibrations from the washer which enveloped me. This is a virtually true story that happened to me.

Not ten minutes into it, my mind wandering from song to song, I leaned forward across the washer, swaying my hips to the beat. Suddenly it was then that I became aware of the lightest of touches against my neck, and then another on my shoulder as soft hands reached around moving against me. I feel a warm, hard body as the straps of my dress slip from my shoulders to my arms. Soft kisses on my cheek, neck and shoulder and I arch my back and turn my head around towards the warmth.

My eyes are still closed when warm lips find mine. First softly they kiss me, sweetly caressing mine, then more urgently until a searching tongue finds its way between and is met with mine. The unknown hands leave my shoulders. One finds its way inside my dress to my breasts, nipples now awakened by the rough touch, are pinched and tormented. The other hand slips lower, just barely brushing against stomach until it slides my hem up to reveal my panties and then slips inside the elastic band.

I find myself grinding against a sudden hardness pressing against my lower back and at the same time against the two fingers that have opened me up to allow the third to work expertly on my clit. I moan desperately as it is slowly dipped inside then back again precisely rubbed across its now slick target. Like the clothes in the washer in front of me, I am being worked to lather. I cannot con

tain a shiver as I feel my undies peeled to the side from behind and I am lifted slightly.

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and re-treating. I cry out as I am driven crazy by the sensations and my legs are trembling and then when strong hands hold me by the hips, the thrusting begins at last. I am pressed hard against the washer which is now vibrating madly on its spin cycle, sending delicious sensations through me from the front while I am riding against him from behind.

The soaked lace from my panties is rubbing across my clit with each thrust sending tremors through me and I feel myself clamping down onto his cock as I start to cum. Crying out I fall forward onto the washing machine which finished its spinning, just as I did.

Suddenly the earphone is pulled roughly from my left ear. A woman's voice is asking me if I am alright. I open my eyes and notice it's the manager. I say, "Yeah, yeah. I'm alright." as I look around the laundry room searching apparently in vain for that warm, hard body.

GEORGIA JONES

Your fingers unzip my blue jeans. Strange, but for a moment I thought of doing that to you but the whole idea of you undressing me was making me quite aroused. Then you stripped off my jeans leaving me just in my panties. Then you got hold of the waistband and pulled down my panties. I finish removing them making me butt naked. I had always been comfortable with my body but when your eyes are staring at me, it feels like my body's been exposed for the very first time.

Now, I'm lying on the bed as I see your eyes taking in my bared treasure. You tell me that I'm the most wonderful girl you have ever known. I smiled, slightly embarrassed because it's not like you to say something like that. But hey – you're still completely dressed.

You come over me and kiss me again, moving down on me kissing my neck and you suck on my boobs. I think you really like my boobs. There's no reason why you shouldn't like them, after all they are firm, round with hard nipples just begging to be sucked.

My heart's beating hard in anticipation when I feel your

hot breath hovering over my mound. I'm not sure if you are going to do anything or just tease me now. Then a sudden kiss on my pussy ends my speculation. A mere touch of your lips on my pussy and my body shivers in anticipation of what you'll do next.

You gently open my legs for a better view and touch my pussy lips very gently. With a wet finger you touch my moist lips and penetrate inside me. Once your finger is inside, you start stroking me while applying pressure on my clit with your other hand. I look down and see that your finger is all wet with my juices.

I was feeling the build up of an orgasm when you pulled out your finger. You stick out your tongue and give a lick along the length of my slit making my back arch up asking for more. You spread my love lips again and poke your tongue inside me. Your experienced tongue is licking me as I feel another orgasm building inside me.

Your head is between my legs tormenting my clit and your fingers up inside my love hole when the inevitable hits me. I put my hands on your head shoving you harder onto my pussy and my toes curl up involuntarily when my second orgasm comes gushing through me. I am sure I must have flooded your mouth but nothing seems to dampen your passion as you keep on licking me.

My body had hardly relaxed for a moment when I see you stripping your clothes off. You yanked off your boxers letting your huge cock come into view. How in the world will such a long cock ever fit inside my mouth or my pussy? I put my soft hands around your dick and stroke it lightly before putting it inside my hot mouth.

I tried to take your dick inside my mouth but couldn't get it all, maybe you are just too big for me. I tried to deep throat you with my deep blue eyes now fixed on yours. I sucked your dick harder. I felt your dick twitch in my mouth and a loud groan filled the room as you cum inside my mouth.

As soon as I felt the first stream of cum hit the back of my throat, I pulled your dick out but had no option but to swallow everything in my mouth. It didn't taste bad but you just kept on cumming. I'm amazed to see that even after so much cum your cock hardly went limp and it's still hard.

Undaunted, you picked me up in your strong arms and lay me on the bed. We melted into sex.

Butt Boffer

I love teaching to all that fresh tail

Most professors consider intro courses the scutwork of college teaching, but I've always been happy to teach them. The lesson plan has been frozen since the dawn of time, the students are in awe of you, and there is a steady stream of cute freshman girls who are willing to put out for a pass instead of a fail.

Tina had made the usual offer, and I'd surprised her by agreeing to her terms. Now her nubile body was bent over across my desk, and I was greasing up my cock with lubricant. Tina was willing to do anything to keep from losing her scholarship. "Anything" included letting this horny old professor take her back-door cherry. Like most of the girls who wanted to trade sex for a better grade, Tina had plenty of experience, but not with this particular activity. She gasped as the tip of my cock spread her sphincter and slipped inside her.

"Well, what do you think?" I inquired as I started fucking her.

"Feels weird," she said in a distracted voice. "Really...wow. Oh."

I set up a slow and steady rhythm to give her a chance to get into it. Meanwhile I leaned over her and slipped my hands beneath her body to cup her ripe little titties. Her nipples were hard, and I squeezed them gently as I kept up the rhythm.

After a little while, I felt her shaking and knew she was getting close to getting off. "See, it isn't so bad, is it?" I whispered to her, and she moaned in reply. When I came, she stiffened beneath me. I knew she was feeling it as my body pumped sperm up her bung. She was feeling it and getting off on it, and I was content.

When I pulled out of her, she turned around and said, "That was wild." She put her right arm across her breasts, squeezing the left one with her hand, and slipped her left hand down to her pussy, finding her clit and rubbing it vigorously. Her eyes met mine as she jerked off in my office. Then she closed

hers tightly as she came, enjoying the wash of powerful feelings that I'd inspired through her asshole.

Even though her grade in my class was assured, Tina found my butt-fucking so interesting that she soon came back for more. Of course, I'd started on my anal ways because you can't trust these girls to use birth control, and I'm looking for easy sex, not a paternity suit. But sometimes a girl just plain realizes she likes it that way. That's what happened with Tina.

Later in the semester, she came to my house, and I gave her a romantic dinner before boffing her. By the time we stripped and got down to it, she was incredibly horny from anticipation. She almost came the moment I slipped inside her, and I fucked her slowly since she was so on edge. When she did come, it was like a major theatrical production. Her whole body turned bright red and shook as if she had grabbed the third rail. The intensity tore the smallest possible scream from her throat and

left her dripping with sweat and exhausted. I continued to fuck her as she moaned.

“Wow, it’s never been like that,” she gasped as I continued to hump her. “Never. Never. Wow.”

I picked up the pace, focusing a little more on my own pleasure, and before I got my own rocks off, she’d had another orgasm.

Of course, there’s little point to dedicating your life to educating horny coeds if you restrict yourself to just one student, and Tina is far from the only nubile freshmen in my life. Peggy, a slender 18-year-old redhead, was another repeat customer. Like many green-eyed redheads, she had milk-white skin accented by a few well-placed freckles. Her small ass looked like an upside-down white peach. With Peggy, I didn’t have to raise the issue of butt-fucking, as she’d already heard the rumors and had come forward not to improve her grades but to get some easy action from an experienced older man.

*My cock was a hard spike
that pinned her neatly in place*

I didn’t have to do a lot of work with Peggy. I could let her arrange my body and my cock any way she liked. I was amazed the first time she asked me to get on my back. Then she lay on her back on top of me. As her hard, young butt-cheeks seized hold of my rod, I realized that I was learning a new sex position at the grand old age of 39.

“Hold me,” she murmured, and I wrapped my arms tightly around her to keep her from slipping off. Not that she was in much danger of that. My cock was a hard spike that pinned her neatly in place.

“It feels soooo good,” she cooed, wiggling her buttocks hard against my thighs, crotch, and bellybutton. Her muscular cheeks just wouldn’t let go. I had to experiment a little before I found the right muscles to probe her sphinc-

ter with every stroke, but enjoyed every minute of trying! Her small nipples poked aggressively at the arms I’d wrapped around her chest, and I felt her body temperature rise to the boiling point. She let out a little cry, then began to shudder her way through a fevered orgasm.

I held out a bit longer, continuing to drive upward and onward. Peggy’s spasms of pleasure built to a peak, slowly subsided, then began to build again. I called upon all my resources in order to hold out, but when she crashed through to her next explosion, I was coming along with her. Both of us whimpered happily for several long minutes. Soon enough, we were ready to repeat the maneuver, so I could get a little more practice in utilizing this unique butt-fuck position. I would have given her an A-plus in my course even if she hadn’t been a particularly gifted student, both in and out of the classroom.

*I rotated the plug with my
mouth, stirring it around inside*

Another unusual experience came with Georgine, a student with close-cropped, dyed black hair and a stainless steel nose ring. I had assumed that she was some sort of punk lesbian and tried to ignore the tight, lithe figure she concealed under ripped, baggy jeans. When she asked for a private conference in my office, I was star-

tled, but not so startled as I was when she removed those jeans to show off the butt plug she’d been wearing underneath her clothing.

“I challenge you to give me as much satisfaction as I’ve gotten from this toy,” she said in a cool, fuck-you tone.

“I accept that challenge,” I said, in what I hoped was an equally cool voice. It probably wasn’t, though. I was probably shaking just a little, from the sheer imper-

tinence of the whole situation.

I knew that I had a reputation on campus to maintain and that I had to make sure Georgine went away gratified. Besides, it would offend my male ego to allow myself to be outdone by a butt plug. In a burst of inspiration, I knelt before her pale body and parted her cheeks with my hands, holding them wide apart so I could see the rounded end of the butt plug poking out of her tiny sphincter.

Smacking my lips loudly, I bent

forward and seized hold of the device with my lips. Georgine gasped a little when she felt how I rotated the plug with my mouth, stirring it around inside of her. When I finally withdrew it from her insides, it burst free with a noisy pop.

Her pink rosebud was wide open, offering me a glimpse into her bowels. The slick pink flesh looked good enough to eat. Again on impulse, I actually fluttered my tongue across the writhing sphinc-

ter. Its mouth opened even wider, and I felt her muscles strain to grasp hold of my tongue tip. I let them succeed, and she drew my tongue several inches inside her.

Soon the challenge was gone from her voice, and only the gasps and moans of pure need remained. "Fuck, Professor, it feels so hot! Oh fucking hell, oh fuck, give me something bigger now, you're making me want it so bad...!"

I didn't hesitate. Bending her over my desk, not caring if her slim body crushed a term paper or two, I poked between those willing buttocks. Her sphincter grabbed at my cock like a powerful fist and pulled it all the way inside.

I really didn't have to do much work. Her asshole took control of the fuck. I have to assume that she'd learned such spectacular control of her rear end through the use of the butt plug. Somehow, despite her youth, she knew precisely how to draw a man to her maximum depths and then massage him using only her anal muscles until both of us were screaming for release.

Seconds after we'd pulled our clothes back into place, the department chairman knocked on my door and asked if I'd heard someone screaming. "It sounded like someone was killing a cat around here," he said.

Both Georgine and I somehow managed to slap expressions of puzzlement on our faces. "We were concentrating on my student's paper and didn't notice a thing," I blandly told the chairman.

Truly, though, a butt-fuck doesn't have to be unusual to be a special experience for me. I suppose I'm a pure butt-fuck addict. I'm just as happy seducing and initiating a young anal virgin like Tina as I am exploring new anal kinks with nymphets like Peggy and Georgine. The proof of that statement is that I never get bored, even if the girl in question can only offer "ordinary" butt-fucking. Maybe it's because no butt-fuck can ever be all that ordinary.

In one of those prolonged moments when Tina and I relaxed in my office, still hunched over my desk, I considered what a lucky man I was to have so many young females willing to grant their anal pleasures to a horny professor. Per-

haps my recollections of past adventures stirred my blood, because I could feel my hard-on returning. Tina shifted position beneath me, so that my cock was poking into the firm flesh of her right buttock. "You naughty thing," she murmured. "You're already ready for more? At your age?"

I stood up and cupped her white cheeks with my hands. When I spread my fingers, I could easily cover her entire butt. It was small and tight, just right for squeezing hard on an older man's jaded cock. A small trickle of my sperm was running from her twitching hole.

"I'm not the only one who's ready for more," I said with a grin. "That twitch in your inner thigh muscle gives it away."

"Before you, I never knew it would feel so good," she admitted. "God. It's so deep, so..." she fumbled for the word, "so fulfilling." Tina lifted her ass-cheeks so I could feel them straining beneath my hands. "Please. Let's do it again."

Her sphincter grabbed at my cock like a powerful fist and pulled it all the way inside her

I didn't make her beg. My revitalized cock stroked between those firm mounds of white female flesh, and I insinuated myself deeply into her anal canal before she could catch her breath. Her body began to thump pleasantly against the desk, and I began to thump pleasantly against her butt-cakes.

Somewhere in the distance, I could hear the sounds of an everyday afternoon at any large university. People might gossip, and they might suspect, but no one knew for sure what I was up to. Only my loyal and grateful students can be certain that I deserve my reputation for pleasing nubile assholes. But certainly none of them is about to file a complaint with the dean of students.

VRoooooom!

I couldn't wait to get to college. I was going to let out my frustrations on all the guys I could. I'd make them fuck me until I, or they, couldn't take it anymore. I started out at a sorority but they were into frat guys, which I was not. I liked the artsy, rebel type. The ones with long hair, tattoos, and a rebellious attitude. Right now, I'm still screwing everyone I can because soon the man pool is going to disappear when I leave.

My friend George invited me to spend the weekend at his summer home on the island to celebrate my forty-first birthday. I couldn't make it but I could a couple weeks later. When I got there, he showed me around and we dined and had good laughs. On Sunday his friend came over, not knowing I was there. I thought he was really sexy with his bald head and great body. Can you guess what's next?
